Accreditation

Amherst College is fully accredited by the New England Commission of Higher Education.

Credit

Since the 1966-67 academic year, the college's curriculum has required all students, with rare exceptions, to carry four full courses each semester as a full time load. Each regular course is equivalent to four semester hours of credit; half courses (H) to two semester hours; double course (D) to eight semester hours; and no credit/audit courses (A) to zero semester hours. This results in a graduation requirement of a total of thirty-two passed courses.

Special permission is required for registration in fewer than four full courses each semester. In some circumstances, a student may graduate with a minimum of thirty courses.

Grading System

Effective with the 2021-2022 Academic Year, the college moved from a grading system of 14-points to 4-points. Transcripts are now issued with converted grading and averages. Prior to fall 2021, A+ grades were valued at the equivalent of 4.33. Some students enrolled prior to the change in grade policy may therefore have a cumulative GPA above 4.0. For information on our prior grading system, visit our website.

A+	(4.0)	B+	(3.33)	C+	(2.33)	D	(1.00)
A	(4.0)	B	(3.0)	C	(2.00)	P	(Pass)
A-	(3.67)	B-	(2.67)	C-	(1.67)	F	(Fail)

The following are not considered in computing semester or cumulative averages:

- N Grade not yet received
- R Passing Grade under Pass/Fail Grading Option
- P
- W Withdrawal with permission
- Y Grade pending completion of a multi-semester honors project.

Five College Consortium

In the Five College Consortium, courses may be taken for credit at Hampshire College, Mount Holyoke College, Smith College and the University of Massachusetts. Grades and credit for these courses are included on the student's Amherst College transcript. The official transcript for each Five College course taken via the consortium is maintained at the student's home

Transfer Credit

Courses transferred in from other institutions are listed along with Amherst credit equivalent, but grades are not factored into the institutional grade point average.

Honors

Information regarding the honors criteria for graduates of the class of 1989-2003 and 2003-present can be found on the registrar's office website.

Release of Information

This transcript is released in accordance with the Family Education Rights and Privacy Act of 1974.

Appearance

The appearance of our transcript changed in Summer 2022 with the implementation of Workday Student.

Authentication

The transcript of a student's academic record is valid when printed on security paper and when sent through Parchment's secure transmission service. Amherst College transcripts are issued under the authority and supervision of the registrar.

Unofficial transcripts issued to a student will contain a notation indicating that they are unofficial.
